TO Chief of Mission, Frankfurt
Attn: Chief of Base, Pullach ☐
FROM Chief, EE

DATE FEB 28 1955

SUBJECT | GENERAL Operational/ZIPPER
| SPECIFIC Dr. von SEGNA

REF: EGWA-11983 ☐

1. A search of headquarters files indicates that Subject is identical with Lt. Dr. Walter SEGNA, born 10 November 1908 in Messo Lombarde. We are forwarding a copy of Walter SEGNA's interrogation herewith. Headquarters files contain only wartime traces of SEGNA. The following are extracts from old CIC interrogation reports:

a. CIC Report, dated 1 May 1945 - Interrogation of SD Officers (Colonel) Walter RAUFF, SD Chief for Northwest Italy, his adjutant, (Captain) Hans REINER of the SS, and Lt. Dr. Walter SEGNA of the SD, surrendered to American officers in Milan in late April 1945. Lt. Dr. Walter SEGNA is the son of Joseph SEGNA and Maria REINUSCH, born in Messelombarde, Province of Trento, Italy, on 10 November 1908. He is an official dependent directly on General HARSTER, who has been operating as a spy-master and political manipulator from Carnobbio, Province of Como. SEGNA indicated that he would be willing to collaborate fully with Allied intelligence.

b. Interrogation of Helene Louise TEN CATE BROUWER, dated 2 July 1944. Dr. SEGNA, assistant to HARSTER in Verona. Acted for HARSTER in his absence so must have had high rank. Was formerly in the Hague and did not trust TEN CATE BROUWER. Tall; dark; belonged to BOLZANO district; had studied in Rome and Verona; has wife and child.

c. Interrogation file on Novella dei SAVORGNONI, dated May 1945. Excerpt from a letter written by SAVORGNONI - "...Some months ago, while I was in Milan employed by the transportation firm BRIVIO, I knew a German officer, Dr. Walter SEGNA, second Lt. of the SS. This officer, 37 years old, fell in love with me and trusted me completely (SAVORGNONI lived at SEGNA's villa outside Milan from February to April 1945). He helped me in many ways, since he was a very intelligent man, and was aware of all the mistakes of his country. I followed him in any place and so I was able to

listen to some talks that revealed interesting things. These men intended to organize a movement, which should already exist, and which following the example of the Freemasons should become a new European nationalist Union against Communists and Jews... Another man whom SEGMA used to contact for the same purpose was (Prof.) CUPPO, former Commissaire Fédérale of a Black Brigade. The latter used to say he was organizing a European nationalist group like the famous Codreanu's Iron Guard. This organization had already branches in Rome, Terni, Firenze, Bologna and was in contact with some groups of Partisans..." (NOTE: Novella de SAVORGHANI is the wife of (Count) Darle de SAVORGHANI, born in Trieste in March 1921. She was an ardent pro-MIHAILOVICH adventuress. She tried to interest SEGMA in her contacts with the MIHAILOVICH Serb elements with the possibilities of using them as a separate peace channel.)
